Happy to join the virtual Mid-Autumn Festival Celebration organised by the Singapore Chinese Chamber of Commerce & Industry (SCCCI). I am glad that despite the COVID-19 pandemic, SCCCI is continuing with its annual tradition of celebrating Mid-Autumn Festival with the wider community.

The Mid-Autumn Festival is an occasion to promote the Chinese culture, heritage and tradition. The festival also helps to reinforce the importance of strong familial ties, especially during this challenging time.

Wishing everyone a Happy Mid-Autumn Festival!
