We were proud to host the third Mapletree-SCCCI River Hongbao Hackathon (RHBHacks) at Mapletree Business City last evening. Our heartiest congratulations to the Top 3 Finalists: E-Duo, Oreo Crush with Pearls and Stick 'Em, who were crowned for their innovative and thoughtful business ideas. Stick 'Em also brought home the Most Innovative Award.

Next, the winning teams will go through a 1-to-1 mentorship with Mapletree's retail mentor in preparation for bringing their products to market at River Hongbao 2021. Check them out at River Hongbao 2021!
