IMPORTANT: CERTIFICATE OF ORIGIN UPDATES

Dear Sir/ Mdm

On behalf of the Singapore Chinese Chamber of Commerce & Industry (SCCCI), we would like to express our gratitude for your continued and valued support of the SCCCI's Trade Documentation Services and hope we have been successful in providing you and your company with excellent customer service.

With the Singapore Government's strong commitment in building a global innovation hub and SCCCI's commitment to drive the digitalisation of trade, SCCCI would be implementing blockchain-based eCO that offers higher security, flexibility and productivity in processing your trade-related documents.

With effect from 1 July 2019, SCCCI will be introducing additional services via the SCCCI online portal (www.certoforigin.com). As part of the digitalisation initiatives of SCCCI, we are also excited to announce that SCCCI will be introducing a new platform for the submission of CO Forms (Pink). With this new platform, you could print the CO yourself, or come to SCCCI to obtain an original Certificate of Origin. This will help you to save on time, logistics and other overheads, and moreover greatly improve on efficiency.

In addition, all electronic CO application will be leveraging on a blockchain-based infrastructure that drives efficiency and provides real-time review, especially the authenticity of trade documents.

Hence, SCCCI would like to seek your support for this new initiative, and encourage you to submit your CO application via the one-stop SCCCI online portal (www.certoforigin.com) with effect from 1 July 2019.

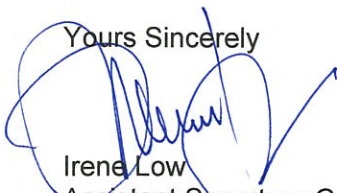

Please refer to Annex I for the new Endorsement Fee of Certificate of Origin.

Seminars/Workshops will be conducted to prepare you and your company for the shift from manual CO application to submitting your application online. If you are keen, stay tuned and you may visit our website (<https://www.sccci.org.sg/en>) for more information.

We look forward to providing you with better services. Should you have any enquiries, you may contact Ms Tan Cheng Teng at chengteng@sccci.org.sg or 6337 8381.

We thank you once again for your continued support.

Yours Sincerely

Irene Low
