

Amid tightened restrictions to curb the spread of COVID-19, Singapore Chinese Chamber of Commerce & Industry (SCCCI) fully supports the government's precautionary measures to safeguard the community. The health and safety of our staff and guests is our top priority.

SCCCI CO Office will continue to serve our customers while implementing safe distancing measures to reduce physical interactions by:

- Implementing split team arrangements
- Minimising crowds at CO Office @ Peninsula Plaza by ensuring patrons are spaced at least 1 metre apart at all times.
- Adjusting our operating hours temporarily

When	Where	Revised Opening Hours
Monday to Friday	Peninsula Plaza*	9.30am to 5.00pm (Last collection at 4.30pm)

\*Note: CO @ Trade Association Hub is temporarily closed for this period. Please proceed to Peninsula Plaza for all CO submission.

We expect these measures to be in place with effect from 7 April 2020 until informed otherwise. For more information, you may visit our website (<https://www.sccci.org.sg/trade-documentation>) for the Procedure of eCO Application and other necessary documents.

Entities which would like to apply for electronic Certificate of Origin may apply using the SCCCI online portal ([www.certoforigin.com](http://www.certoforigin.com)) at their own premises. Entities may print their approved eCO at their own premises.

In times like these, we truly appreciate your understanding and support.
